

25th World Scout Jamboree Selection Timeline

Background

The 25th World Scout Jamboree will be held from 1-12 August 2023 in SaeManGeum, Jeollabuk-do, South Korea.

It will be a gathering of up to 50,000 Scouts from around the world; an event to promote peace and understanding. Participants must have been born between 22 July 2005 and 31 July 2009.

Central Yorkshire has historically sent Units to the World Jamborees, and has successfully filled all the places available. Over recent years, the County has had an excellent number of applicants, and we have sent Young People that represent the diversity of Scouting across the County.

Timeline

Due to the global pandemic, our usual programme for Leader and Young People selection has been condensed as we work with the restrictions that are placed on us. However, we are now happy to outline our programme, aligned with the UK Contingent programme.

May 2021

- Applications for the Leadership positions open. The Application Form will be on the County Website, to be downloaded and completed from the last week of May.

June 2021

- We expect to receive our Unit Allocation from the UK Contingent Leaders
- Applications for Young People open. The Application Form will be on the County Website, to be downloaded and completed.
- After 21 June, when we hope that Covid restrictions are further eased, we plan to run 4 Roadshows, across the County:
 - Wakefield and Pontefract & Castleford
 - Wetherby and Templars
 - North Leeds and Shireoak
 - West Leeds and South Leeds & Morley

The roadshows will be open to all, and anyone across the County can attend any roadshow. We have put 4 roadshows in place, so try to cover the County's geography. We also plan to run a webinar roadshow.

25th World Scout Jamboree
